Welcome Kushiro City

Kushiro City is a unique region surrounded by two national parks, Kushiroshitsugen National Park and Akan-Mashu National Park to the north, and the Pacific Ocean to the south. It boasts unparalleled natural beauty. Of course, this abundant nature provides the region with a bountiful harvest, overflowing with the freshness of seafood and the crops from the fertile land. Additionally, Kushiro has given rise to various culinary cultures such as "Robata-yaki" (charcoal-grilled dishes), "Spa-Katsu," "Sanmanma," and "Soba." We invite you to savor the exquisite cuisine of Kushiro during your visit.

Yachiyo Honten

Indulge in sushi made with an abundance of fresh seafood, as well as seafood and crab specialties. Delight in the delicate craftsmanship and flavors unique to this long-standing establishment.
